 - o Statewide Public Safety Radio Summit – May 4-5 2016 Denver Colorado; How do Hospitals/EMS/Fire Agencies/First Responders Communications Panel Discussion

- Battelle Memorial Institute – Analyst

As a Medical Countermeasures - Chemical, Biological, Radiological, Nuclear (CBRN) Analyst, I provided subject matter expertise on CBRN medical planning and emergency medical response. I analyzed medical CBRN vulnerabilities and threats and advised commanders on response plan provisions and assessed the CBRN operational capability and methods to improve those capabilities. (Buckley Air Force Base, Aurora, CO). As an exercise planner, technical specialist and subject matter expert who staffed and facilitated the design, development, conduct, and evaluation of exercises providing participants the opportunity to discuss current all hazards threats, their health effects and planned responses to chemical and biological threat-based terrorism. (Department of Homeland Security, Office of Health Affairs, Washington, DC)

- United States Air Force – Public Health

As a noncommissioned officer I was entrusted to oversee a broad range of public health activities and programs. I also coordinated community health management activities and educational programs. My responsibilities included liaising with medical professionals, local and state health program representatives and executive management. I supervised, trained and evaluated the performance of cross-functional public health office staff. Air Force Public Health responsibilities included:

- o Communicable Disease Surveillance and Investigation
- o Environmental Health Surveillance
- o Vector Surveillance
- o Zoonotic and Occupational Disease Prevention
- o Medical Entomology
- o Food Safety and Security
- o Food Facility Sanitation
- o Medical Decontamination
- o Promoting and Providing Community Health Education

- Rocky Mountain Medical Reserve Corps of Colorado – Coordinator

- o Volunteer Recruitment, Management, Engagement and Retention
- o Community Inclusion Project Leader
- o Outreach Trainer
